

13 Hind Bundoq portfolio — wireframes from the screenshots (light theme, pill nav, gradient accent)

Desktop - 1280 — full page scroll

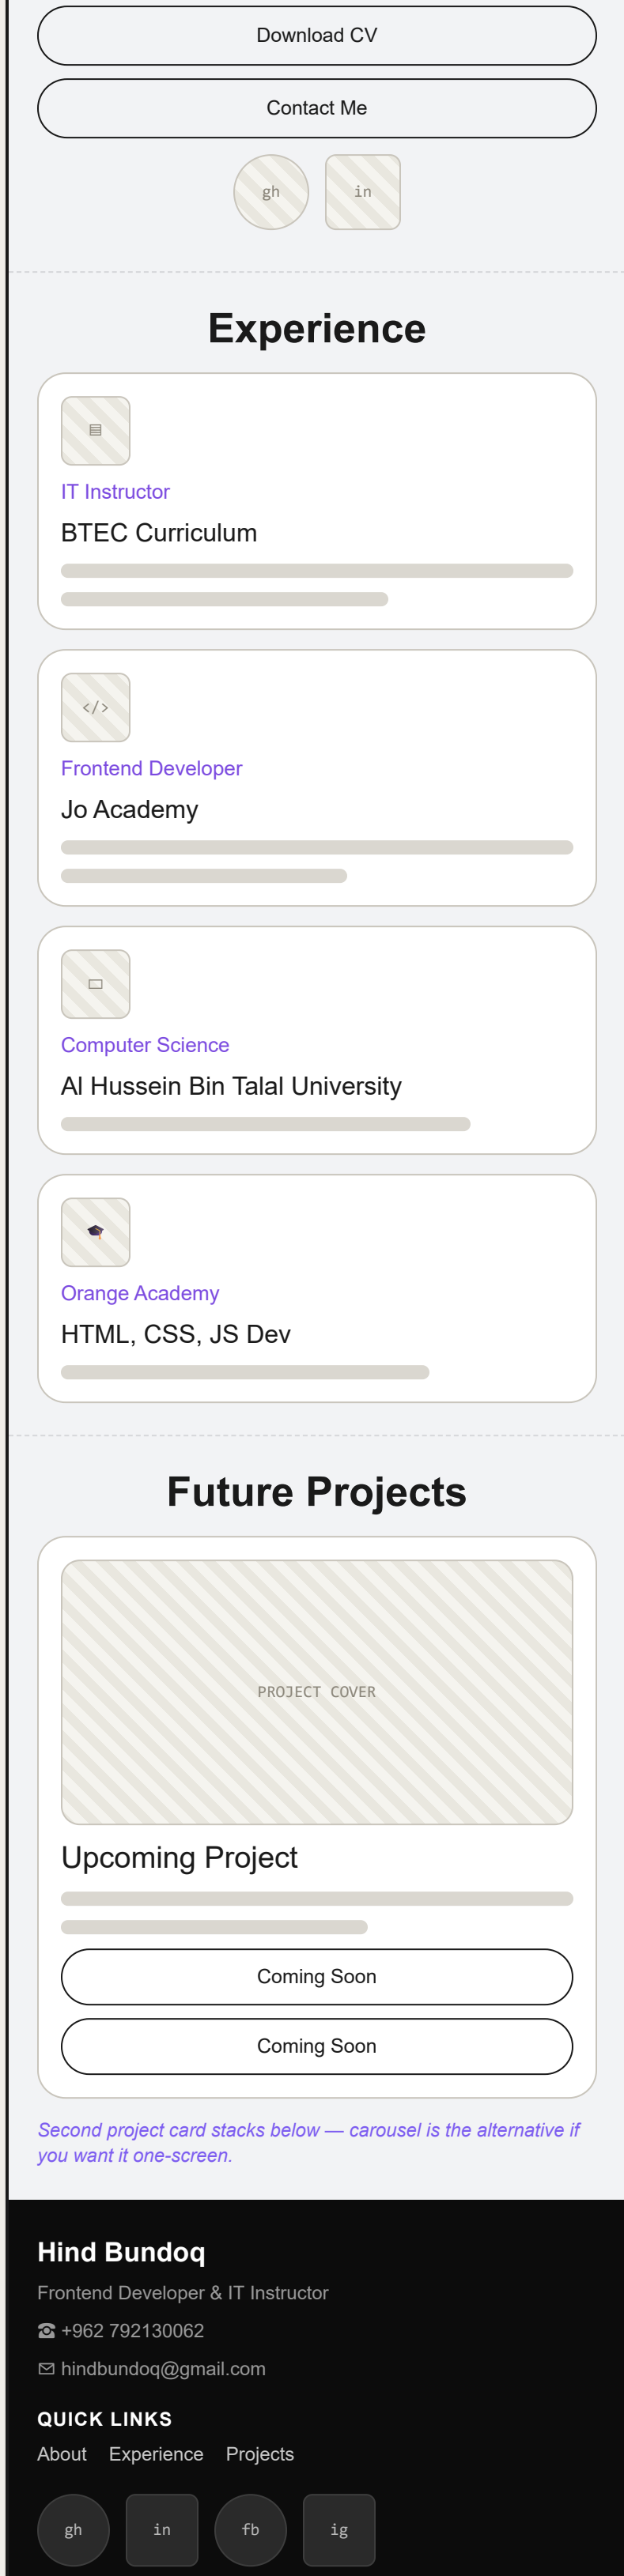

Tablet - 768 — hero stacks, cards 2-up, photo rail drops

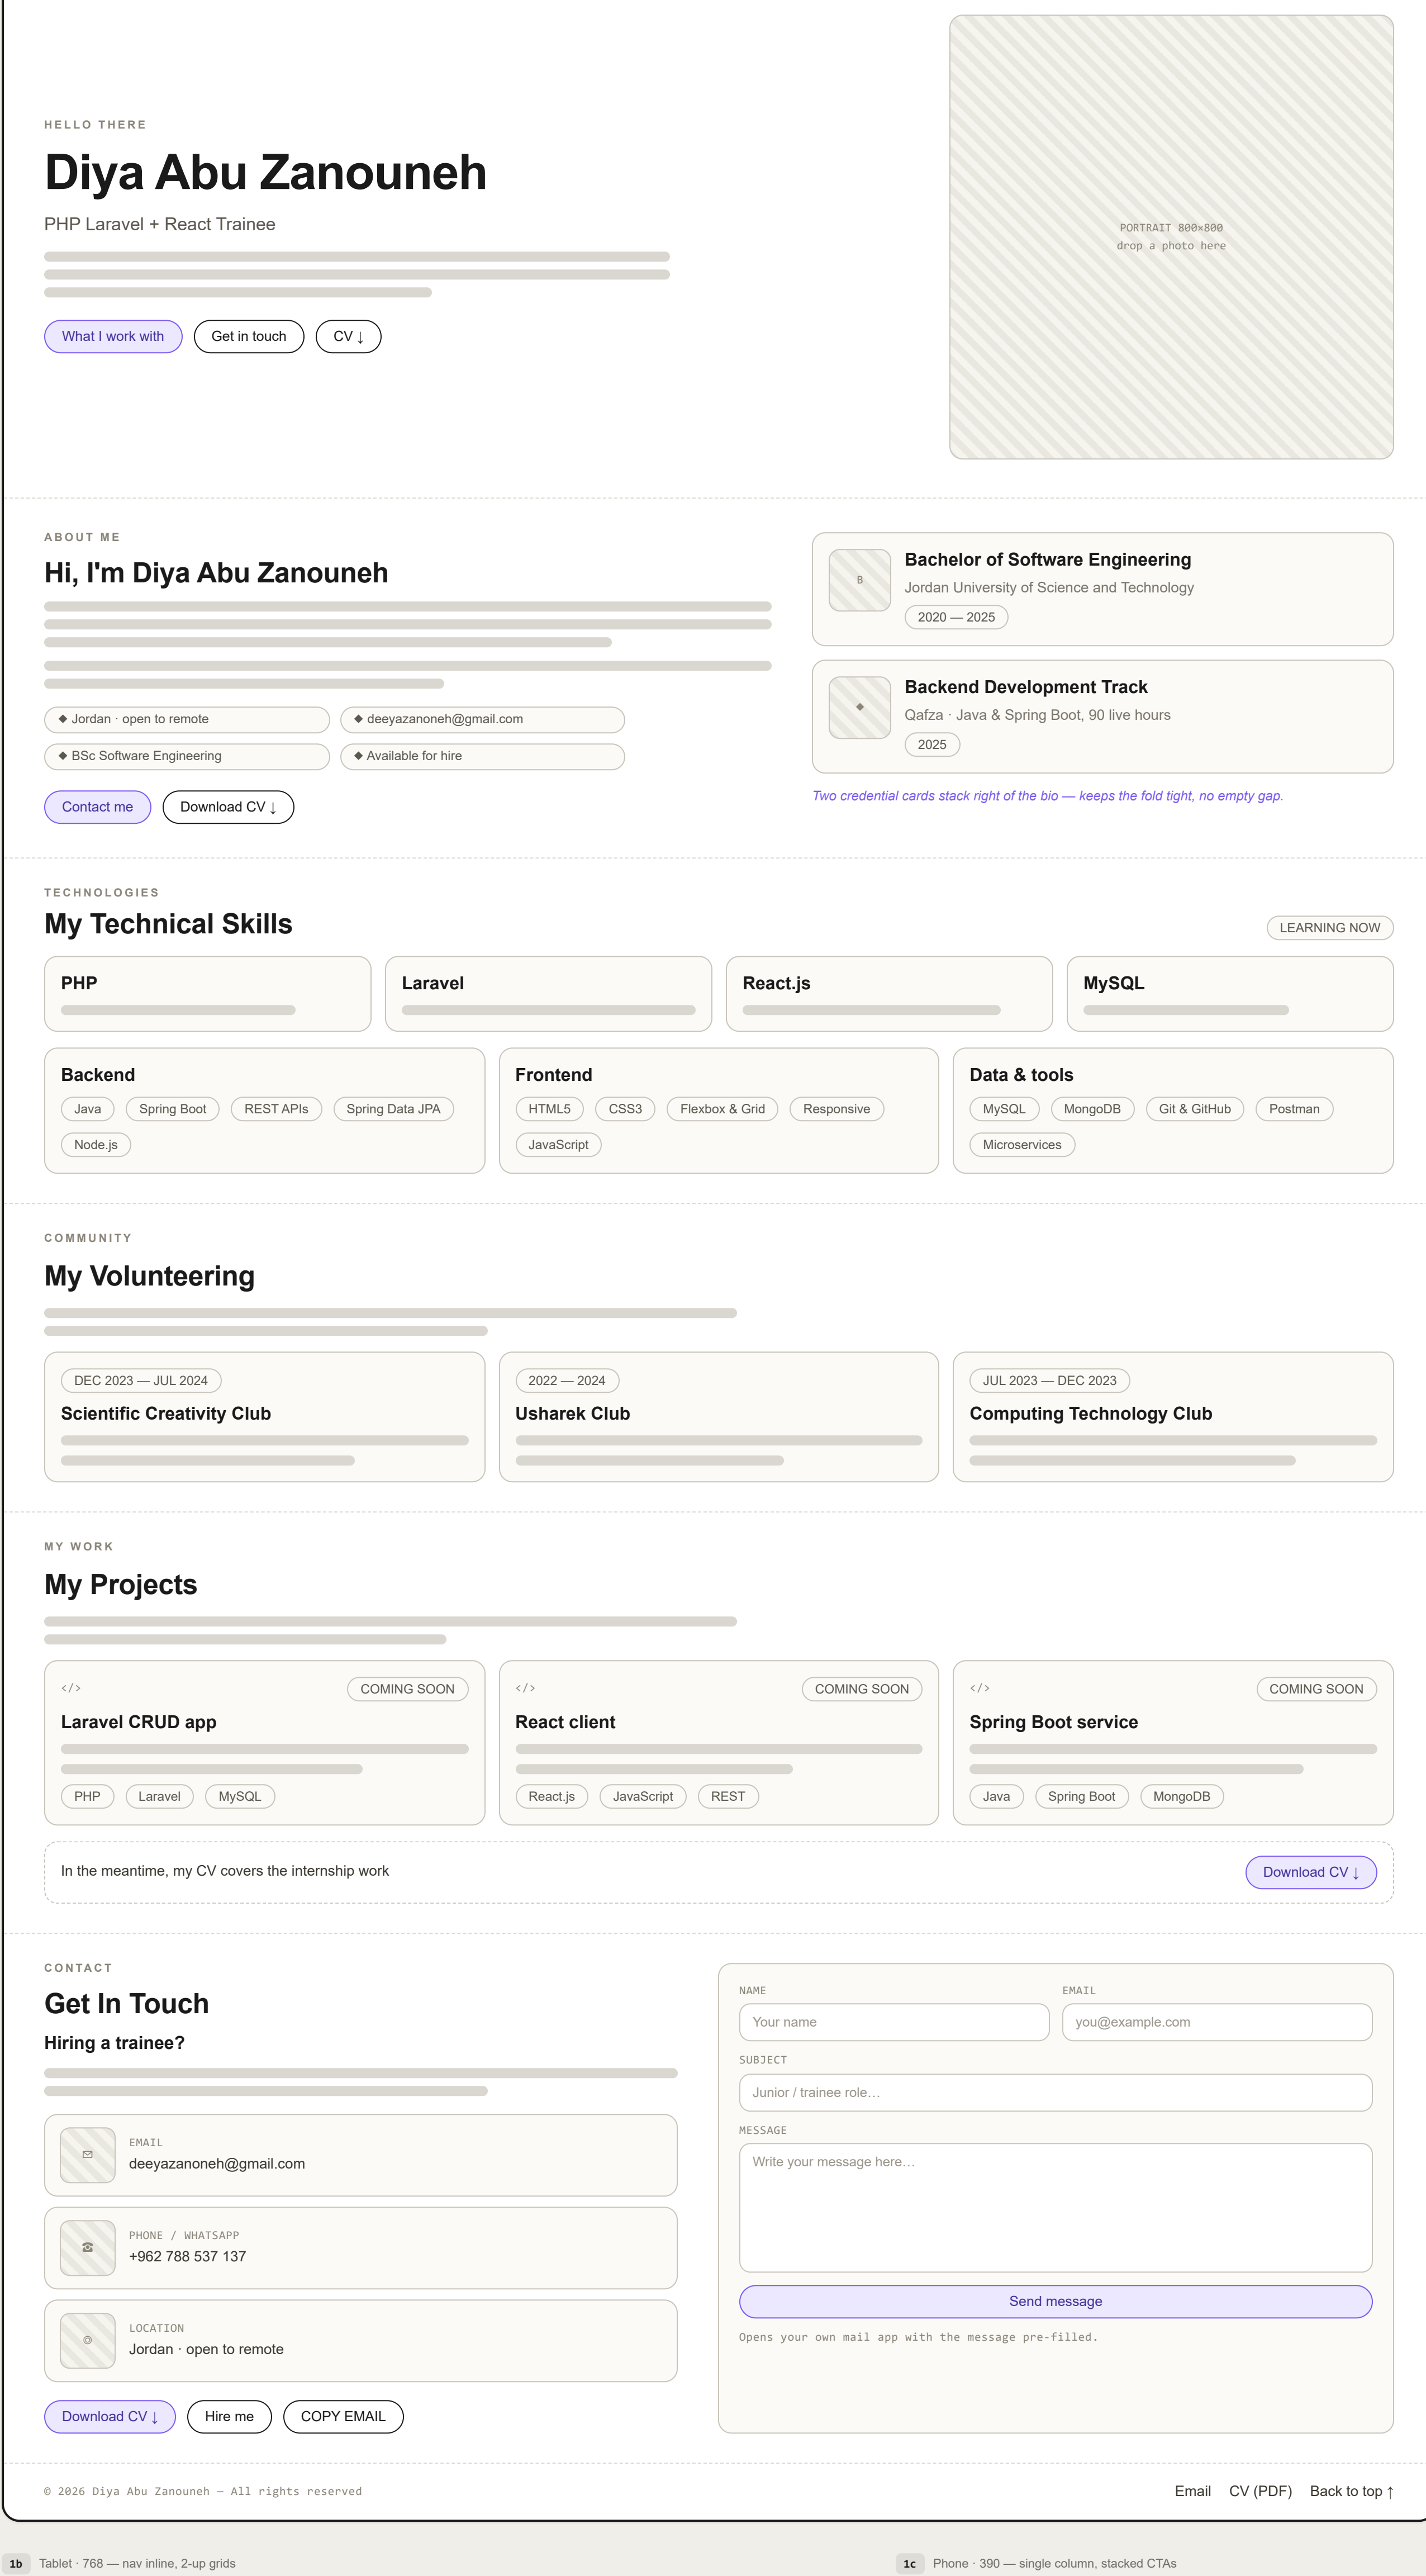

Try next: "add a Contacts section to 2a" - "two other hero layouts for 2a" - "make the Experience rail sticky on tablet too"

Phone - 380 — burger nav, one card per row

14 Dark-theme portfolio — wireframes per breakpoint (structure only; dark tokens applied at design stage)

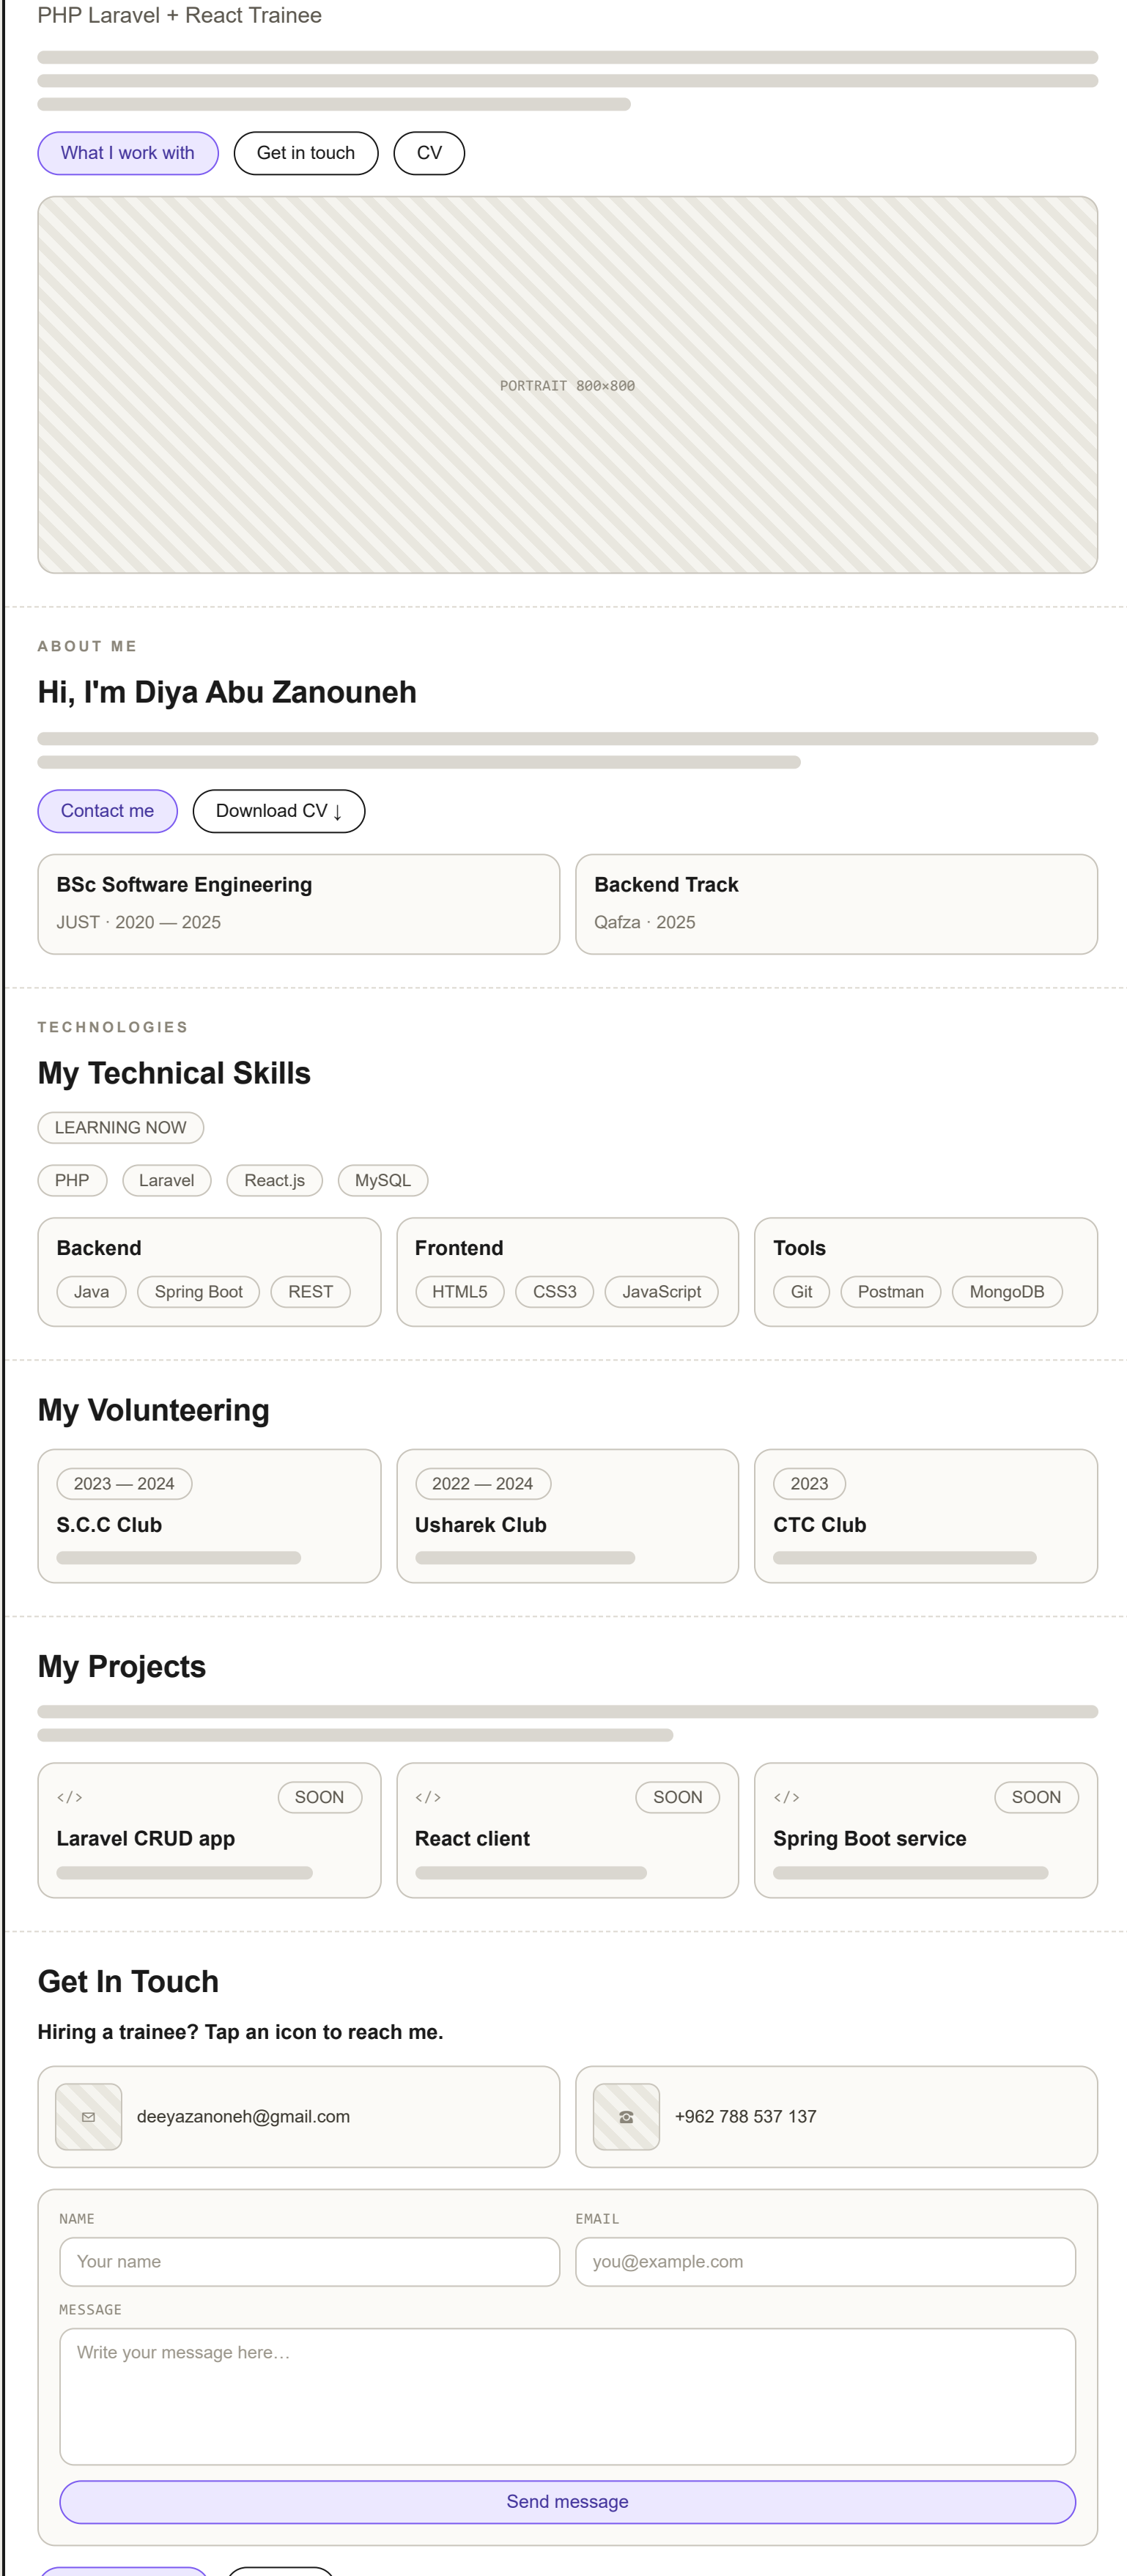

Desktop - 1280 — full page scroll
